v.

LUMA ENERGY, LLC LUMA ENERGY SERVCO, LLC Respondents

CASE NOS. NEPR-RV-2026-0079 & NEPR-QR-2026-0184

MOTION AGREEING TO CONSOLIDATION AND INFORMING AVAILABILITY FOR JUNE 22, 2026

TO THE PUERTO RICO ENERGY BUREAU:

Petitioner appears and respectfully states that he agrees to the consolidation of **NEPR-RV-2026-0079 & NEPR-QR-2026-0184**, as both matters arise from the same service account and involve a continuous sequence of related billing objections. Consolidation will allow the issues to be addressed in a single proceeding.

Petitioner notes that **NEPR-RV-2026-0057** has already been resolved by default against LUMA and is currently under review by the Hearing Examiner. That matter is on a separate procedural track and is not part of this request.

Regarding scheduling, Petitioner has a previously arranged medical appointment on **June 18, 2026**, and is unavailable that day. Petitioner **is available on June 22, 2026**, which LUMA's counsel also identified as an acceptable date. If June 22 is not feasible, Petitioner also has **availability during the week of July 6, 2026**, and can appear on any date that week convenient to the Bureau.

Petitioner respectfully requests that the consolidated hearing for **NEPR-RV-2026-0079** and **NEPR-QR-2026-0184** be scheduled for **June 22, 2026**, or alternatively during the week of **July 6, 2026**, as the Bureau may determine.

Respectfully submitted in San Juan, Puerto Rico, on this 6 day of June 2026.
