Attn: General Counsel
Notice of Liability and Final Warning

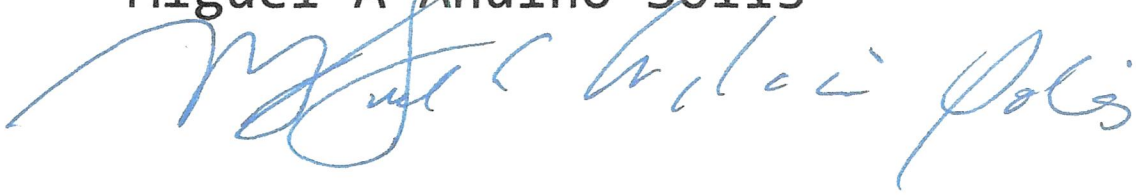

To Whom It May Concern:
I'm writing to issue a final warning regarding an inmediate severe electrical

safety hazard located at Calle Roberto Berrios Carretera 681 KM 6.5, Sect Boan, Bo Islote, Arecibo PR 00612 where there is a rottted electrical pole that needs the transfer of cables to a new installed electric pole.
Despite multiple previous complaints and communications this dangerous issue has been continually ignored.Several complaints on line to include today, complaint #5123318933, AZ1040700136, multiples following on this complaints on phone calls, Luma. com complaints with photos of the rotted pole with the new pole next to it including today 7-17-2026.
Danger ... electric cables presently on old rotted pole causing a hazard to human life if detached and fall electrifying the ground causing damage to property or even death. On July 24, 2025 electrical lines from a toppled utility pole kill four horses in Utuado, PR electrifing the ground.
This address is an active driveway and

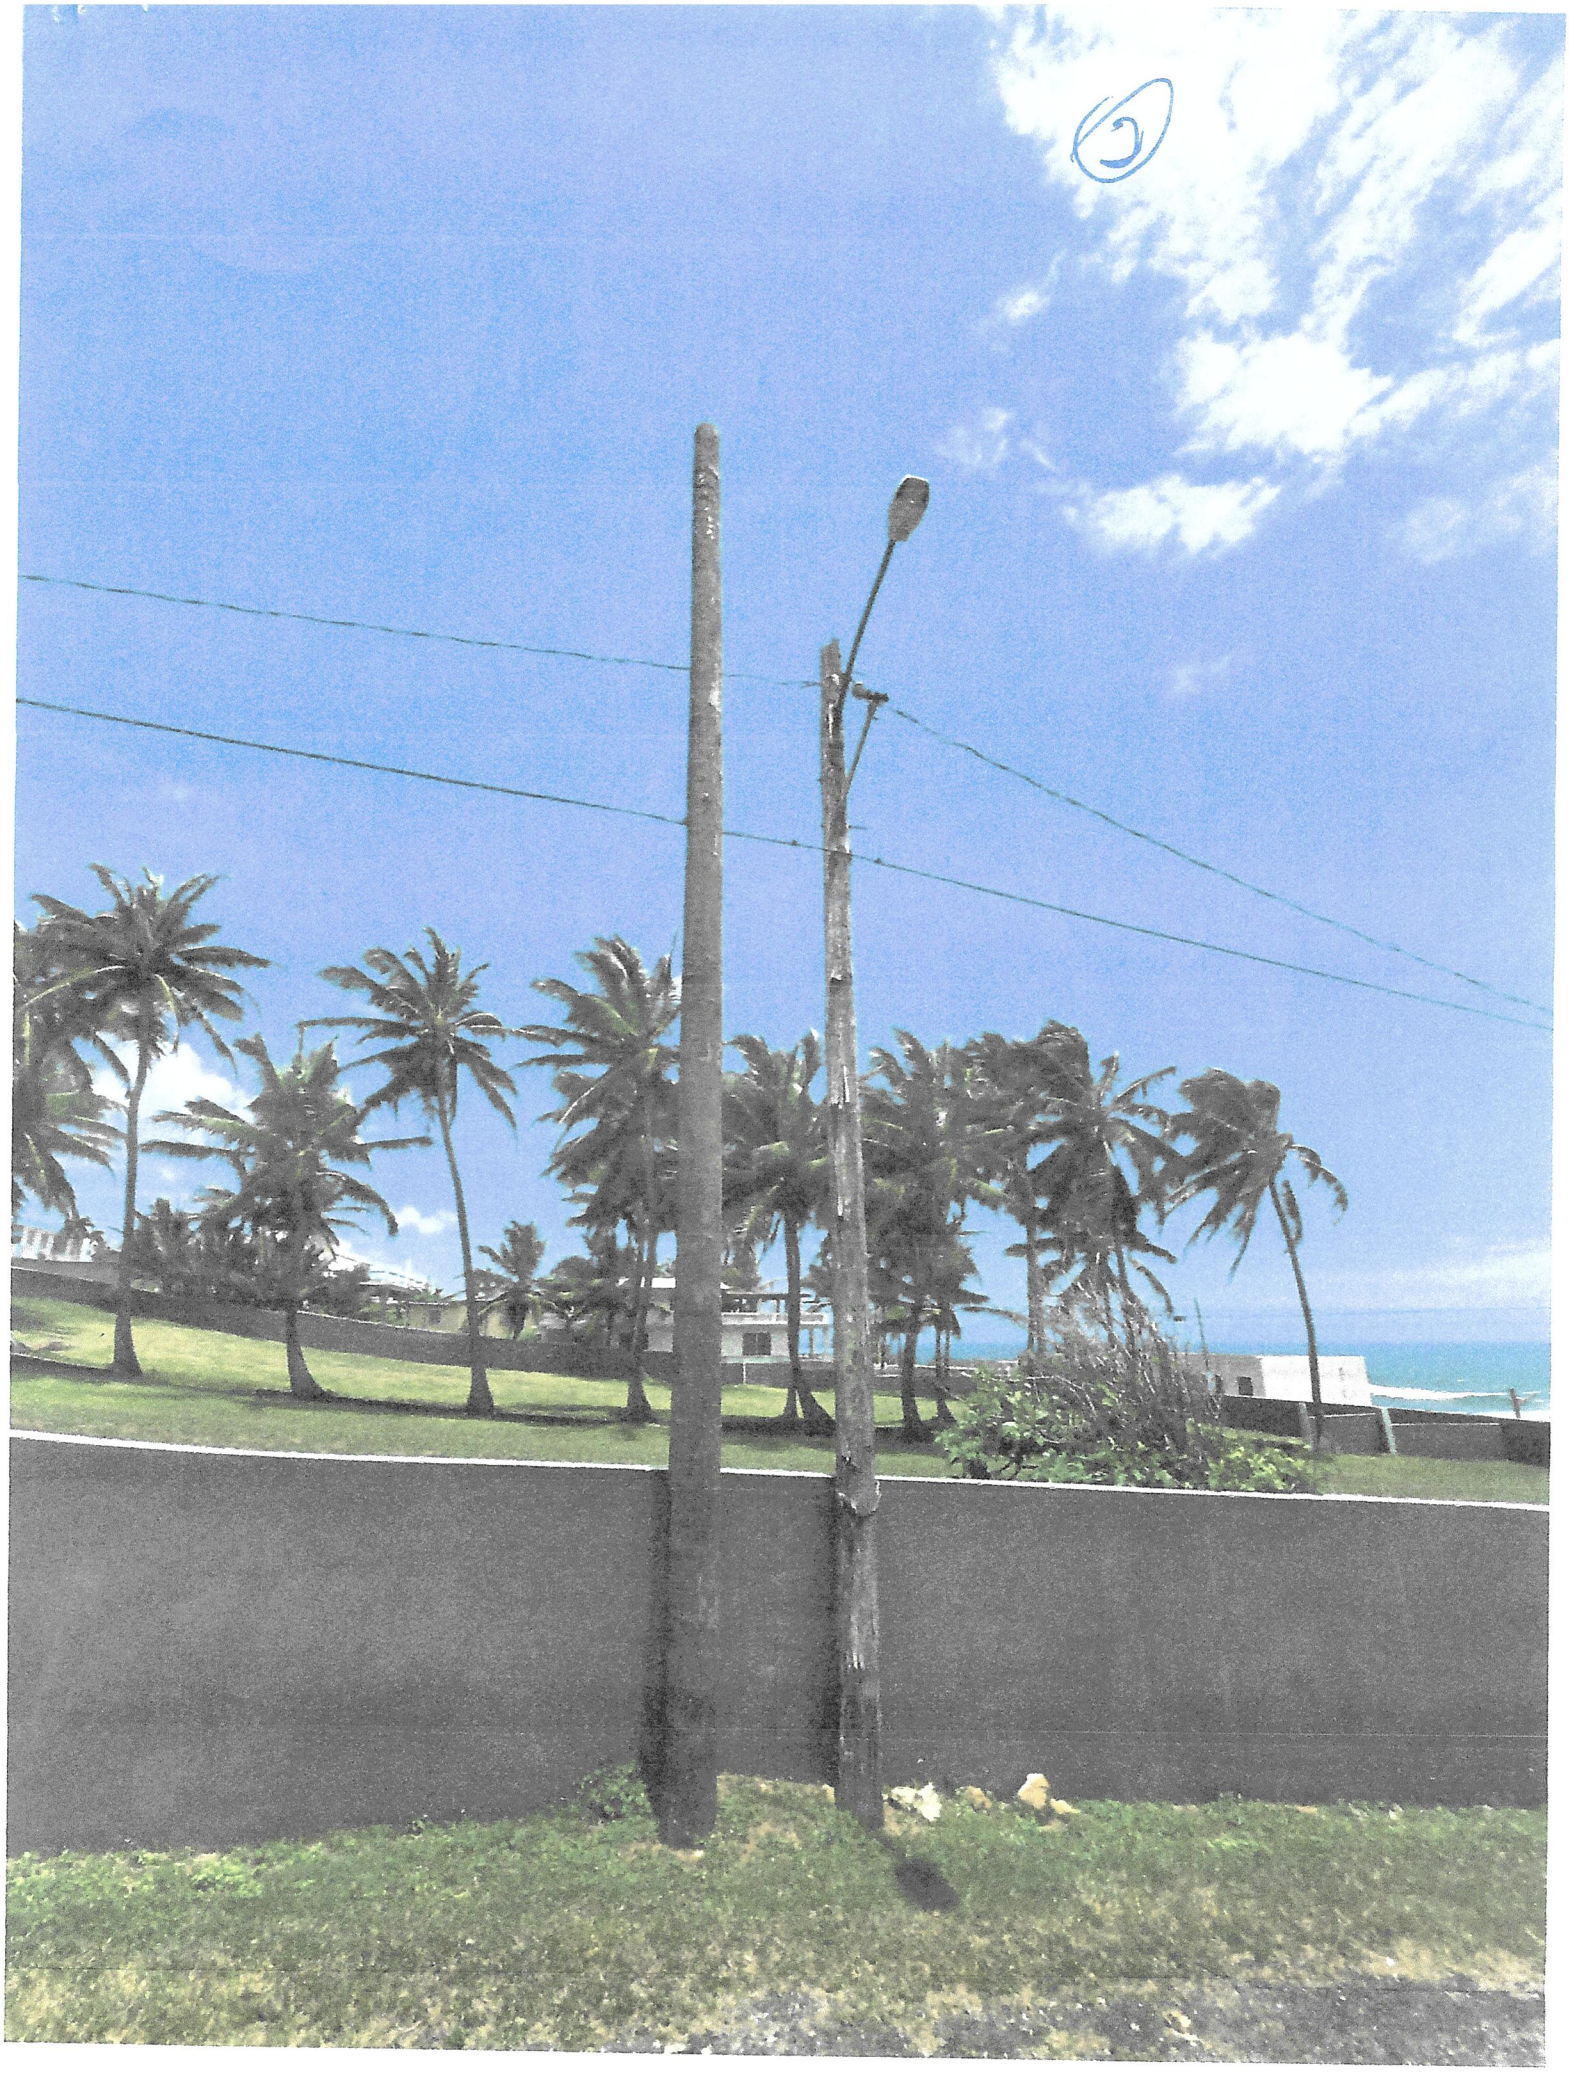

the risk of human life and property damage are high, poses an inmediate hazard.

This situation poses an unacceptable risk of property damage, severe injury or death.Please consider this letter a formal notification that your company is now fully aware of this documented hazard. I demand a repair crew be dispatch to secure and fix this hazard inmediately.I request an acknowledgement of this letter and confirmation of the scheduled repair date within 7 days of receipt of this notification.
Should any injury or property damage occur as a result of your failure to act despite this warning, this letter will be used as evidence of negligence.
Please contact me at 787-650-3558 and at Cupeyo@gmail.com
