MICHAEL EDWARD KASEY **PETITIONER** VS. LUMA ENERGY LLC; LUMA ENERGY SERVCO, LLC **RESPONDENT**	**CASE NO.:** NEPR-QR-2026-0133 **SUBJECT:** COMPLAINT

ORDER

LUMA states that on August 27, 2026, designated personnel visited the site and completed the primary vegetation work. In light of the foregoing, LUMA requests that, given the work performed at the site, the captioned dispute has become moot; therefore, it is appropriate for this Energy Bureau to dismiss the Complaint.

Considering that LUMA states that the reason for the filing of the captioned Complaint has been resolved and there are no other pending matters, Petitioner has 10 days to inform this Energy Bureau if the work was performed and the issues resolved and if he opposes LUMA's request to dismiss the Complaint.

In the absence of any opposition or response to LUMA's dismissal motion, the Hearing Officer shall deem that there is no objection to the relief requested therein and that the Petitioner consents to the request.
